

WHY CHOOSE US

At Toranj Tuition, we run a competitive and constantly evolving education programmes. But what sets us apart from other local providers?

+ COMPREHENSIVE PACKAGE

Our education services offer more than basic training. We aim to provide a broad range of support to ensure you can find work in line with your skills.

+ SMALL GROUP FORMAT

Unlike other training providers, we place our learners in small groups rather than in large classroom settings. This gives you a greater amount of contact time with tutors.

+ EMPLOYABILITY PASSPORT

We will offer learners an Employability Passport certificate which will show your future employers that you have developed valuable employability skills.

WHY WE'RE THE BEST?

Unlike other providers, Toranj Tuition focuses on addressing long-term needs rather than providing short-term support. We regularly update our programme to focus on our beneficiaries' needs and to ensure we are delivering at the high standard they deserve.

OUR TUTORS

Our highly qualified tutors are trained by us to provide a safe and friendly environment for all our learners.

OUR RESOURCES

We provide all of our learners with their own copy of the course handbooks, which you can keep after your training has finished.

OUR FACILITIES

Our premises are in walking distance from Hull Interchange where we offer learning and community services, including computer access.
